Be it resolved by the House of Representatives:

Section 1. Rule 32.1 of the Rules of the 1979 House of Representatives is amended by adding at the end of the rule the following sentence:

Sec. 2. This resolution shall become effective upon adjournment *sine die* of the 1979 General Assembly.

REMARKS BY REPRESENTATIVE BELL IN BEHALF OF DR. GAMBLE

June 24, 1980

Many of our colleagues who have served this body faithfully are retiring at the end of this Session. They have contributed generously of their talents and I would like to thank each for their friendship and help to me personally.

One of those is my seat mate who, in addition to an admirable record in his legislative role, has graciously shared his professional skills with all of us who have had need of his services. He has guarded our health and unselfishly rendered medical advice. Of course, I refer to Dr. Gamble.

John R. Gamble, Jr., of Lincolnton, was elected to the House of Representatives in 1972 and has served as a member of the House since the beginning of the 1973 Session. He was the son of a physician and graduated from the University of Maryland School of Medicine in 1946. While in attendance at sessions of the General Assembly and at other meetings in the State Legislative Building, he has given freely and unstintingly of his services as a physician to any person—legislator, legislative employee, lobbyist, and members of the general public—of whatever rank or estate, whenever the need arose. He has rendered this service without any expectation of reward other than a personal satisfaction in assisting his fellow human beings in a time of need. His assistance has on occasion prevented tragedy. He has always accepted the plaudits and gratitude of his peers and associates with genuine humility and his actions have exemplified the highest traditions of the medical profession.

The General Assembly is indebted to him for the services which he has rendered to the members of the General Assembly and to those associated with the General Assembly. I would like to express our feelings of admiration, affection and respect for him as a person and as a physician, and wish for him a long and happy life in the continuing service to his community and State.

REMARKS BY REPRESENTATIVE J. HOWARD COBLE
CONCERNING REPRESENTATIVE ED HOLMES

June 24, 1980

Today has been a day of accolades. I concur with the expressions previously spoken on behalf of Dr. Gamble. I served on Dr. Gamble's Finance Committee by request because of the close working relationship with the Revenue Department and therefore was not privileged to work with Dr. Gamble's counterpart on the Appropriations Committee, the distinguished gentleman from Chatham. I did, however, get to know Representative Holmes beyond the confines of this building.

Representative Holmes acquitted himself with dignity, deliberation, patience and effectiveness as he discharged his duties as Appropriations Chairman. Under adverse conditions, he was under attack not only by us alien Republicans of the back seat brigade but by his fellow Democrats as well. He maintained his composure to the end.

As Representative Holmes prepares to return to the rustic, bucolic serenity of his Chatham County, we of the House want him to know that his presence will be missed on this floor.

COMMENTS BY REPRESENTATIVE J. HOWARD COBLE
ON THE RESOLUTION HONORING THE MEMORY
OF THE LATE OTHA CARTER

June 23, 1980

Mr. Speaker, last Thursday I was talking to our basketball playing stalwart, the distinguished gentleman from Harnett. Representative Etheridge said it was a shame that Otha Carter could not attend our basketball game because he was so supportive of the team. Otha Carter was supportive of this House.

Time and again, after Dr. Edwards would deliver his opening prayer, Representative Carter would say to Representative Maggie Keesee and me, "Well, Dr. Edwards has done it again." He was referring to the manner in which our House Chaplain continually places his finger on the pulse of life.

Almost without exception, Mr. Speaker, Otha Carter was the first member of this House on the floor reviewing the day's work that was to be done.

He would insist from time to time that he may not have been as well qualified as some of the others here because he held no degree. I assured him that some of us must accumulate all the degrees we can consolidate and still we encounter difficulty in staying afloat. Otha Carter needed no degrees because he was bountifully blessed with two rare, unique ingredients—compassion and common sense. He will be missed by those who knew him.

Thank you, Mr. Speaker.

ADDENDUM

It will be noted that a number of bills and resolutions passed second reading and then were read a third time on the same day.

Rule 41(b) states:

No bill shall be read more than once in the same day without the concurrence of two-thirds (2/3) of the members present and voting.

In order to comply with this Rule, no bill which had passed its second reading is read a third time except:

- (1) When a member moves that the Rule be suspended, and this motion carries by at least a two-thirds vote of the members present.
- (2) When the Chair determines that there is no objection from any member present. This constitutes unanimous consent of those members present that Rule 41(b) be suspended.

In these cases, the bill is read a third time.

PRAYERS OFFERED IN THE HOUSE OF REPRESENTATIVES 1980

by

Dr. Albert G. Edwards
House Chaplain

Thursday, June 5, 1980

Once more, O God, the tranquility of this impressive Chamber has been shattered by voices raised in

noisy welcome
and glad greeting.

In days to come, O God, when

love becomes lip
and communion becomes contention,

out of all the possible disorder and disagreement may there come those wise decisions that will benefit the citizens of the State that these men and women have been elected to represent and whom they have sworn to serve.

In thy strong Name, Amen.

Friday, June 6, 1980

Great God,

whose grace redeems our hearts from fear,
whose love sustains us in adversity,
and whose wisdom keeps us from stupidity,

we thank Thee for the hours of the night that

strengthened anew our bodies
and renewed the powers of our minds.

We thank You for the hours of light that give us opportunity to use the mercies that the darkness has bestowed. Grant, we pray, that what has been so generously and undeservedly given will not be used in vain.

In Thy strong Name, we pray, Amen.

Monday, June 9, 1980

Almighty God, Thou who art perfect in holiness yet merciful in judgment, help the members of this House

to listen to each other so they may
learn from each other;
to needle each other so that they may
keep each other from nesting;
to keep their feet on the ground so that
their toes can be stomped when needed;
and above all, our Father,

grant them the abiding courage to seek and follow
Thy will even if it brings more pain than pleasure. Amen,

Tuesday, June 10, 1980

Forgive us, our Father, that so often we see things backwards.

We think we are saintly when the indicators are more the marks of senility.

We imagine ourselves pure and we are stained.

We see ourselves great and in reality we are puny.

We solicit Your support for our plans rather than determining Your plans.

Help us, O God, to see what we need to see rather than what we want to see. Amen.

Wednesday, June 11, 1980

Joint Session, Capitol

Noon

Our fathers' God, to Thee, Author of liberty, to Thee we pray. We thank Thee for an annual ritual which can be an hour of deserved and helpful remembrance; this is needed Lord, for we tend to become what we remember.

We thank Thee for the statesmen of the past who in House and Senate in this historic building labored to obtain for the citizens of North Carolina education, protection and other services essential to the times. For the substantial foundation, Lord, we praise Thee.

We thank Thee for those who today correct the errors of the past and maintain the tradition of seeking legislation which best benefits all citizens. May the actions of the past educate the representatives of today.

We offer our prayer in the faith that Thou art able to confirm what is right and correct what is wrong. Amen.

Wednesday, June 11, 1980

Great God, our help in ages past, our hope for days to come, we thank Thee for our recent journey into North Carolina's governmental past through the privilege of film and script and human eye. The issues may be different, but the problems of today seem so similar to those of yesterday. We thank Thee that You have promised to make Thy people

adequate for the challenges of today, and we thank You for men and women who offer themselves as channels and instruments through which services may be rendered. O God, keep these channels clear of the debris of selfishness and self-seeking. In Thy strong Name, we pray, Amen.

Friday, June 13, 1980

"This is the day the Lord hath made; we will rejoice and be glad in it."

It is easy on Friday, our Father, to echo the words of the poet.

As the members of this House head home after some hours of labor, help them when they are home to be to their loved ones as responsive as they have been to lobbyists, as gracious as they have been to visitors, and as friendly as they have been to their Chaplain.

We ask it in Thy name, O God, and for the sake of those at home who deserve our best, but sometimes get our worst. Amen.

Tuesday, June 17, 1980

Our Father, we thank Thee for our heads; not all are the same size and shape and not all function as efficiently and capably as others, but each one of us thanks Thee for the one we have.

We thank You also for our emotions, symbolized by our hearts. Forbid that head should function without heart or heart function without head, for well we recognize that heart alone results in blind emotion and head alone considers only what concerns a few citizens and never the many.

In this age when we take pride in intelligence alone, help us to remember that cabbages and lettuce also have heads but nothing else. Amen.

Wednesday, June 18, 1980

There comes to mind, O God, the words of the poet (Trench):

"Lord, what a change within us
 One short hour spent in Thy presence
 will avail to make.
 What heavy burdens from our bosoms take;
 What parched ground refresh us with a
 shower!
 Why therefore should we do ourselves this
 wrong?
 That we are ever overborne with care.
 Anxious or troubled, when with Thee is
 prayer,
 And joy and strength and courage are with Thee."

In this time of difficult decision grant to the men and women of this House a good measure of strength and courage, and the joy that is the fruit of doing right in the face of a strong desire to do wrong.

In Thy strong Name, Amen.

Thursday, June 19, 1980

The memories of last night, Our Father, are still fresh and fulfilling to our minds. Thou knowest the hope we entertain for what this evening holds. That our best hopes may be realized, we pray that the basketball team will be blessed with

swift legs
strong arms
keen eyes
and ample wind.

But there is also the immediate present for which we pray, for what happens now and in the immediate hours at hand will affect all citizens of our state. O God, help these men and women to remember there is nothing in the Bible that says, "Blessed are the poor. . ." The poor in spirit, yes, but not plain poor. O God, we need your help to keep us humble but no one needs the help of this House to keep them poor.

We pray in the Name of He who though He was rich voluntarily became poor for our sakes, Amen.

Friday, June 20, 1980

We thank You, our Heavenly and Holy Father, for the gift of breath. We rejoice that last night the basketball team had enough of it to wrestle a victory from our southern neighbors.

O God, help those of us who are involved in preaching, praying and politicking to remember that breath is energy and this is an energy saving age.

We pray in the name of Him who said so much that was worthwhile, but said it in few words, Amen.

Monday, June 23, 1980

O mighty God, source of all goodness, bless those who are in positions of power and authority in this state. Enrich the legislators with your grace and fill them with your holy Spirit, that the people may be governed with wisdom and godliness by Christian men and women.

And watch over those who help form public opinion, the press and the broadcasting services; that the people may be enabled to exercise their rights in a manner which is responsible and in accordance with your will.

Through Jesus Christ, our Lord. Amen.

G. Abraham-Williams
Sutton Baptist Church
Surry, England

Tuesday, June 24, 1980

We would remember our Father the words of the Psalmist (Psalm 8):

"Blessed is the person who walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful, but whose delight is in the will of the Lord." Forgive us, O God, when we follow our own will for personal profit.

Forgive us, when worse still, we have no will of our own and are the playtoys of the powerful.

Help us to know and do Thy will, and in the doing, difficult as it is, to know Thy promised peace and joy. Amen.

Wednesday, June 25, 1980

Almighty God, whom the better we know the more we love, so very soon the members of this House will return to their homes and their districts to live, with all citizens of the State, under the laws they have helped enact. Because we live in the land of the free and the home of the brave, help these men and women to feel free to accept praise for what is good, and brave enough to take the blame for what proves to be wrong. And now, Our Father, until we meet again, bless us and keep us and cause Thy face to shine upon us and be gracious to us, unworthy and undeserving as most of us are. Amen.
